Meet Nancy Yunker

One of the most valuable members of our team of volunteers, working to complete the Station Theatre, is Nancy Yunker. Nancy is the force behind the fund raising that has been taking place over the past number of years. Nancy moved to Smiths Falls in 1991. She is a nurse by profession and became involved with the theatre group, taking on the important task of coordinating our fund raising efforts. She has successfully written grant proposals to organizations such as Trillium. This organization was so impressed with our project, as described in Nancy's proposal, that they gave us three separate grants. This is highly unusual, but speaks to the quality of the project. Nancy has also organized our annual trip to view a show in Toronto or Montreal that raises money for the project. The latest campaign is "The Last Spike" which is our final push to get the donations that we need to open the doors. To date, the campaign has raised **\$61, 300!** We are well on our way to achieving our goal of \$100,000. In the above photo Nancy and Owen Parry show off the donations board that Owen put together.

This will be displayed outside the station to show the progress that we are making. We are very grateful to Nancy and her dedication to seeing this project through until it is completed.
